Business Emergency Contact Information Form:

In recent years the police department has kept up to date records of businesses in our city. These records are to assist officers in locating owners of the business or their designee in the event of emergencies. Please fill out the form and return it to the police department in person, by mail or by fax. With your continued cooperation it will give the police department the tools we need to maintain a high level of service to the business community.

This information will be kept confidential.

Date Submitted: _____
